

RALLYING FOR A CURE

To Car Club
Presidents and Members

June 2019

Dear Car Club Presidents and Members,

2019 EastLink Great Australian Rally

The Great Australian Rally Committee is pleased to announce that EastLink has been appointed as naming rights sponsor for the 2019 EastLink Great Australian Rally (EGAR).

EastLink will provide substantial promotional opportunities through extensive advertising by the display of four billboards (below) along EastLink and in social media outlets prior to the rally.

We would like to thank those members of your club who attended previous Great Australian Rallies and contributed funds to Peter McCallum Cancer Foundation, for cancer research. A total of nearly \$800,000.00 has been raised so far, a magnificent effort.

We now write to you to invite your club members to participate in the EastLink Great Australian Rally to be held at Cruden Farm, Langwarrin, the former residence of Dame Elisabeth Murdoch, on Sunday 20th January 2019, and to help us raise further funds for Peter McCallum Cancer Foundation, for cancer research.

A new starting venue at EastLink, Ringwood, Head Office has been established and with other starting points at Melbourne, Rowville and Hastings which include a free sausage sizzle, all journeying to Cruden Farm. This event, organised and conducted by the All British Classics Car Club and sponsored by EastLink, has become the premier annual showcase for motor bikes, army and commercial vehicles, veteran, vintage and classic cars over the last 25 years.

Your club members are encouraged to enter the 2019 rally by either:

- A. Showcasing six of club's best vehicles to compete for a special trophy;

The All British Classics Car Club Vic Inc.

EastLink Great Australian Rally
Sunday 20 January 2019
Cruden Farm Langwarrin

RALLYING FOR A CURE

- B. Making the rally a club annual calendar social event by travelling as a group with reserve parking and club promotional displays;
- C. Holding your club's concours at the venue or
- D. Attend individually in a qualifying vehicle.

Enjoy the display of vehicles and Cruden Farm historic gardens. Bring your lunch or purchase from the catering trucks and enjoy a picnic lunch on the manicured lawns whilst listening to the music emanating from the sound shell.

A special display will showcase the first Benz and Ford through to the Tesla e-vehicle. Other vehicles will be selected from rally entries to join that special display.

Official entry forms will be published early October 2018, but in the meantime please note your club calendars and commence planning your participation as set out above.

For more information and to reserve Club Parking please contact:
