All British Classics Car Club
PO Box 40
COLDSTREAM VIC 3770

Dear Colin,

I am writing to sincerely thank the members of the All British Classics Car Club for your longstanding leadership of, passion and generosity for, the RACV Great Australian Rally.

I was thrilled to attend the 12th RACV Great Australian Rally again this year. To see so many thousands of devoted people enjoying a fantastic day out was a delight, and is a reflection of the organising committee's hard work and dedication. It was clear that a great day was had by all.

Colin, while thousands of people take action to support Peter Mac each year, the RACV Great Australian Rally is one of the most successful and important supporter events on the Peter Mac calendar. This achievement, of course, is a direct result of the enthusiasm and dedication of the All British Classics Car Club and your fellow organising committee members, so I thank you for your continued commitment. Thank you for rallying your community to help raise funds for Peter Mac's life-saving cancer research.

The funds raised at the RACV Great Australian Rally are incredibly important to the work of Peter Mac. We are home to Australia's largest cancer research group, and with your help, we will be able to provide these world-leading cancer researchers the specialised tools and state-of-the-art equipment needed to discover cancer cures. While our researchers are internationally recognised for their life-saving work, little funding is available for this vital equipment. The support of organisations like the All British Classics Car Club really is critical and gives new hope to people facing cancer. Thank you.

Colin, I also wanted to take this opportunity to let you know that after a period of transition (a result of maternity leave changes), we have now appointed a dedicated and experienced person to support groups like yours on a permanent basis. I will be delighted to introduce you to Ally Pekin in the future. Should you require assistance, Ally can be contacted on Alexandra.pekin@petermac.org or via her direct line on 9656 2764. Ally is very much looking forward to meeting you.

Congratulations once again on a tremendous event Colin. Please convey my grateful thanks to every All British Classics Car Club member involved in the event.

Yours sincerely,

Jennifer Doubell
